Dear Sir:

**DECLARATION UNDER 37 CFR 1.132 OF JOHN D. BRENNAN**

I, John D. Brennan, do declare and state that:

1. I am an inventor named in the above referenced patent application.
2. I am a co-author along with Michael A. Brook and Travis Besanger on the Besanger et al. article that was published in the journal, J. Phys. Chem. B (Published on the Web Sept. 20, 2002, Volume 106, pp. 10535-10542, hereinafter "Besanger et al."). Michael A. Brook and Travis Besanger are co-inventors of the above referenced patent application.

3. The present Declaration is to confirm that the Besanger et al. reference is derived from our own work and therefore is not a reference published by another.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that wilful false statement and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such wilful false statements may jeopardize the validity of the application or patent resulting therefrom.
